Dear Mr Robertson

I am writing to you to thank you for coming in to our classroom and teaching us about laws and acts.

Our class has learnt a lot from you and can't wait to have you back. Thank you for teaching us about how laws affect people and why we have them.

We are very thankful for you sharing your knowledge about the laws we have. Our class had fun talking about our laws and acts. We have all learnt so much about laws and what we should and shouldn't do. We also had a lot of fun drawing little pictures about the government, parliament, police and the queen.

Room 10 is very thankful for you coming in and teaching us about laws and acts.

Yours sincerely,
Gorja

Dear Mr Robertson,

Thank you for visiting us and talking about laws yesterday. You could have been doing something else than visiting our class. You taught us all about laws and who makes them. The work sheet you gave us was alot of fun and you helped me understand more about laws. I hope you liked your visit to West Balcatta Primary School.

To Mr Robertson.

Thankyou for coming in to help educate us about laws in HASS yesterday. I enjoyed your talk about laws thoroughly and found it immensely fascinating. I received a booklet about the bush fire act in 1954 and that also was very interesting. I appreciate your time and hope that everyone you talked to yesterday learned and enjoyed your talk as much as I did.

Yours sincerely,
Emilee

Thank you for coming to West-Balcatta Primary School yesterday for teaching us about laws. It was really nice that you came in your own time when you could have been doing something else.
